

Recommended Maths Websites and Apps to Support Maths Learning at Home

EYFS

[See the Amount](#)

Don't count, see the amount! Join the Numberblocks in this educational maths game all about the core numeracy skill of subitising. Developed with Early Years experts, this game will support children who are in Reception or Pre-School to have fun whilst consolidating key learning for the EYFS

[Bud's Number Garden](#)

With this game children will join Bud the bee and explore his magical garden. Whilst on this adventure, they will practise recognising numbers, counting, sequencing and much more!

KS1

[Karate Kats](#)

You have been chosen to train the Karate Kats! Join them and earn the bronze, silver and gold cups in loads of maths topics in this new adventure. These cats love to dress up, keep playing to find more costumes for the Karate Cats to wear. Unlock challenge mode and impress Coach with a high score. Show off your new skills and become a maths-champion Karate Cat!

KS1 and KS2

[Hit the Button](#)

An interactive maths game with quick fire questions on number bonds, times tables, doubling and halving, multiples, division facts and square numbers. The games, which are against the clock, challenge and develop mental maths skills. An app is also available to download.

[Maths Zone](#)

A website with links to many interactive games and challenges including a 'Puzzle a Day'.

[Maths Frame](#)

Popular, interactive maths games to consolidate learning in all areas of the maths curriculum.

KS2

[Guardians: Defenders of Mathematica](#)

Choose a character, then add, subtract, divide and multiply your way to victory in this fun maths game. Challenge yourself across 10 different KS2 maths topics from the Mysterious Mountains of Multiplication to the Deadly Sea of Shapes. If you're feeling really brave, test your maths abilities in the Battle for Mathematica.
