

NURSERY EDUCATION

We offer a flexible Nursery provision. Please discuss your preferences/requirements with your Nursery Teacher and allow us to help to make Nursery education the best for your child and yourselves.

All children are entitled to 15 hours per week free nursery provision during school term time from the term after their third birthday. Most UK children will be eligible for 30 hours of free childcare. **If you are eligible for up to 30 hours childcare please visit our website for further information <http://www.merseyvale.stockport.sch.uk/30-hours-funded-childcare/>**

Please note that the information below relates only to those parents eligible for only 15 hours of funded childcare.

We can accommodate any of the following options and upon request, we can even offer ad hoc / emergency provision should this be required and available. Unfortunately, it may not be possible to meet every individual need but we will try to ensure there is sufficient flexibility so that the majority of needs are met. We believe that all of these options, provided by a qualified, experienced Early Years specialist teacher represent outstanding value for money.
