15 February 2016

Dear Mrs Mullane,

Thank you so much for your kind donation of £217.95 to BBC Children in Need. The creativity and generosity across the country from our Champions of Change nurseries, schools, colleges and universities has been fantastic and we're so grateful for your fundraising!

The money you have raised will help disadvantaged children in all parts of the UK – helping them to live safe, happy lives and reach their full potential.

If you'd like to find out more about how the money you have raised positively changes lives go to www.bbcchildreninneed.co.uk/championsofchange where you can sign up for our newsletter and find out about the children and young people like those that your fundraising will help.

Once again many thanks from Proud Schools Partner Lloyds Bank and the Champions of Change team, and on behalf of all the children we help to support. We just couldn't continue our work without you!

Best wishes,

David Ramsden, Chief Executive
