

Whole School ‘Home Learning’
Decorate a hard boiled egg for our ‘Spring Celebration’ competition.

We would like all children in Y3, Y4, Y5 & Y6 to take part in a decorating a hard boiled egg or eggs competition. This is a ‘home learning’ task for your children and we would like the creations to be their own efforts. They can be decorated with a Springtime theme and can be as imaginative as they like! Below are some pictures to give you ideas!

The creations should be brought into school by Monday 1st April. We will ask an independent judge to choose 2 winning entries from each class to win a prize.

Good Luck with your creations.
