February 2019

Keeping Your Child Safe in the Virtual World

Do you know what your child is really doing on line? The internet is amazing. Children can play, learn, create and connect - opening up a whole world of exciting possibilities. The digital world is changing all the time, how can you make sure your child is staying safe?

As part of our commitment to keeping children safe on line, the school supported by Stockport's Schools Health & Well Being Adviser, will be running a session on internet safety for parents/carers:

Date Wednesday 13th March 2019

Time 2 – 3pm

Increasingly there are more opportunities for children to access the internet – Including phones, tablets, computers/laptops, games consoles and smart toys.

The internet can be of great benefit to your child, but the session will also raise awareness to highlight some of the issues that children and young people may face online today. It is important to know what your child is doing on line and how to keep them safe. We have recently surveyed all children at Mersey Vale and we will be sharing their responses at the meeting. The results so far are very interesting!

The session aims to give parents an overview of

- What children are doing on line
- Provide parents with the advice and top tips to ensure the safety of children on-line.
- Social networking sites/apps & games
- Cyber bullying.
- The impact of technology on young people

Please complete and return the reply slip below by Friday 8th March if you will be attending the session. Please note - this session is for adults and we would appreciate you arranging childcare for younger children. Thank you.

Safer Internet Session for Parents/ Carers

I would like to attend the safer internet session for parents/ carers on Wednesday 13th March, 2 – 3pm.

Name: _____

Parent/Carer of: _____ in year(s) _____

Contact telephone number: _____
