Letter to support exercise in the learning difficulty community

Please see the letter received from the Local Authority. Your child will only qualify for this letter if they have an Education Health & Care Plan (EHCP) or have a Special Needs Support plan.

To support our community of children and young people with Learning Difficulties we have created a letter that parents/carers can carry with them to explain why a child or young person may not be able to follow fully the lockdown restrictions in place. If you would like this letter please contact your GP and request the "letter to support exercise in the learning difficulty community" and the letter will be sent to you.

Thank you and stay safe, Francesca Soan (Designated Clinical Officer for SEND)
