

## Nursery Admissions

The majority of Nursery children join us in the September following their third birthday. However, in previous years, if we had places available we were able to offer 'early intake' Nursery places. Children who had their third birthday during the autumn term could start the following January and benefit from an extra two terms in Nursery prior to transferring to Reception class.

Our Nursery staff team and our Senior Leadership Team have given a great deal of consideration to whether we can offer 'early intake' places for January 2021. Unfortunately, we have concluded that it is not going to be possible to have new children join us in January due to current circumstances around Covid-19 and the protective measures we need to maintain. The health and safety of our whole school community remains our priority.

We sincerely hope that we will be able to offer early intake places for the summer term so that children whose birth date is from 1/9/2017 – 31/8/2018 can be considered for an April 2021 start.
